Experience

I run Angelo Studio, a Spanish-language creative agency I founded to produce editorial photography, an independent magazine, audiovisual work, and live events. Alongside the studio, I write personal essays and cultural criticism.

Founder, Art Director & Graphic Designer
Angelo Studio
2025 – Present

Founded and direct a creative agency spanning an editorial magazine, editorial photography, audiovisual content, and live events. Write, edit, and art-direct Angelo by Angelo Studio, with two editions published to date, “Pedro contra Pedro” and “Dama de la Primavera,” and wrote the magazine’s first cover story. Lead a rotating creative team across photography, audiovisual direction, composition, audio, and styling.

Conceived and produced FACE A (Noche de Vinilo), a vinyl-culture live event, overseeing production, sponsorships, and on-site direction. Advanced to the final round of Prodepaz/EPM’s Estímulos Juveniles Sentipensar la Paz program, Comunica la Paz category.
